

Name _____

Fiery Voices

Directions: Write a short paragraph about how communication helps people connect, inspired by Pentecost. Include one real-life example from your life or community.

Communication brings people together, even with different languages or backgrounds. Think of a time when talking or listening helped build **friendship, teamwork, or peace**. In 5-8 sentences, explain why communication is powerful and how it unites us, like the “tongues of fire” at Pentecost.

Write your paragraph here:
