Teacher's Guide

- Model how to locate context clues by looking for explanations, examples, or restatements around each **ph-word**.
- Encourage students to underline clue phrases such as perfectly round, clear pictures, or secret message.
- For differentiation, provide a context clue anchor chart or sentence frames like This word means because the sentence says.
- For extension, challenge students to write an original sentence using a complex **ph-word** and include enough clues for a partner to determine its meaning.
