Directions: Read the story. Highlight or underline all the **ph-words** you find. Then answer the questions.

Last Friday, Sophie found an old photo in her backpack. It showed her standing with a funny dolphin statue at the park. She wanted to take a new photograph, so she asked her dad to bring his phone on their trip. When they arrived, Sophie laughed because the statue still looked the same. She held the phone, snapped a photo, and added it to her scrapbook.

1. What did Sophie find in her backpack?

2. Who did she ask to bring the phone?

3. Where did Sophie go to take a new photograph?

4. What did Sophie do with the new photo?
