

Name _____

Picture Graph Parts Answer Key

1. D
2. C
3. G
4. A
5. H
6. F
7. B
8. E

Teacher's Guide

- Quick implementation: Review the title, categories, symbols, and key before students begin. Remind students to use the key when finding quantities.
- Differentiation: Read the clues aloud and identify one graph feature together before independent work.
- Engagement: Have students point to each graph feature before writing its matching letter.
- Extension: Ask students how many students are represented altogether and which activity is the most popular.
