8. Puzzles
9. 12
10. 6
11. False
12. B

Teacher's Guide

- Quick implementation: Review the terms symbol, key, category, and scale before students begin.
- Differentiation: Let students write the total number of votes beside each category before answering questions 5-12.
- Engagement: Have students explain how the key helped them solve one question.
- Extension: Ask students to write one new question about the picture graph and solve it.
