

Name _____

Garden Count Answer Key

1. 6
2. 4
3. 7
4. 3
5. 5

Teacher's Guide

- Quick implementation: Review the key and explain that each picture represents 1 visitor.
- Differentiation: Have students touch or mark each symbol as they count.
- Engagement: Ask students to predict which row has the most pictures before counting.
- Extension: Have students identify which category has the most and fewest visitors.
