

Name _____

Complete The Rows Answer Key

Dogs: Add 3 X symbols.

Cats: Add 2 X symbols.

Fish: Add 2 X symbols.

Birds: Add 2 X symbols.

Rabbits: Add 1 X symbol.

Hamsters: Add 1 X symbol.

Teacher's Guide

- Quick implementation: Review the key and model how 6 students would be shown with 3 X symbols.
- Differentiation: Have students first divide each number of students into groups of 2.
- Engagement: Let students check each completed row by counting aloud by 2s.
- Extension: Ask students to identify which pet received the most votes and how many more votes it received than the least popular pet.
