

Name _____

Free Time Snapshot Answer Key

1. 25%
2. Sports
3. Art
4. 35%
5. 35%
6. 10 percentage points
7. 10 percentage points
8. 40%

Teacher's Guide

- Quick implementation: Provide or display a completed pie graph using the five percentages before students answer the questions.
- Differentiation: Review that all sectors total 100% and model how to combine two sectors.
- Engagement: Have students predict answers by comparing sector sizes before calculating.
- Extension: Ask students to find two different combinations of categories that total 45%.
