Teacher's Guide

- Review key plot vocabulary before assigning the quiz.
- Clarify the difference between similar terms such as **rising action**, **climax**, and **falling action**.
- Encourage students to use context clues from the answer choices to eliminate incorrect options.

Differentiation Tips

- Provide a vocabulary chart with simple definitions for students who need extra support.
- Read questions aloud for students who benefit from verbal processing.
- Reduce answer choices from four to three for learners who need modified assessments.

Engagement Ideas

- Turn the quiz into a team challenge. Students discuss answers in groups before selecting one.
- Use mini whiteboards so students can hold up their answers at the same time.
- Have students create example sentences for each vocabulary term after completing the quiz.
