

Name _____

Different Eyes

Directions: Read the passage carefully. Then fill in the **Multiple Voices Chart** by explaining how each character views the same event.

The school science fair had just begun. Maya nervously adjusted the wires on her volcano project, hoping it would erupt perfectly. Across the room, Jamal glanced at his sleek solar car, convinced it would win first prize. Their teacher, Mrs. Lee, looked around proudly, thinking how creative all the students were this year.

Multiple Voices Chart

| Character | What They See/Do | What They Think/Feel |
|-----------|------------------|----------------------|
| Maya | | |
| Jamal | | |
| Mrs. Lee | | |

1. How does Maya's point of view differ from Jamal's?

2. How is Mrs. Lee's perspective different from the students'?

3. Why might the author choose to show multiple voices in this scene?
