### Teacher Notes/Guide

- This activity strengthens students' ability to **notice pronoun signals** that reveal point of view.
- Encourage students to **color-code pronouns** (e.g., blue for first-person, green for second, red for third).
- Common confusion: Students may confuse **dialogue pronouns** with the narrator's point of view. Remind them to focus on the **narrator's voice**.
- Extension activity allows for practice in **switching perspectives**, reinforcing mastery.
