## A Peek At Poland

**Directions:** Read the passage about Poland, then answer the questions that follow. Keep your answers short and clear.

### A Quick Look at Poland

Poland is a country in **Central Europe**, and it is known for its wide plains, rolling hills, and busy cities. It shares its borders with several countries, including Germany to the west and Lithuania and Belarus to the northeast. One of Poland's most important regions is **Mazovia**, where the capital city Warsaw is located. Another famous region is **Lesser Poland**, known for historic sites and beautiful landscapes. Poland also has a long coastline along the **Baltic Sea**, which helps the country trade with other nations.

1. What part of Europe is Poland located in?

2. Name one country that borders Poland.

3. What is the capital city of Poland and in which region is it found?

4. Which region of Poland is known for historic sites and pretty landscapes?

5. How does the Baltic Sea help Poland?
