

Name _____

Context Clue Detectives

Directions: Read the passage below and **highlight or underline** at least three clues that suggest what might happen next. Then, write down your clues in the chart that follows.

"Jordan balanced the tray carefully as he walked toward the table. His hands were shaking, and a bead of sweat rolled down his forehead. Everyone in the cafeteria turned to watch him, whispering and pointing. Jordan's best friend gave him a nervous thumbs-up."
