- Leo → slid down the slide
- Maya → played with a red ball

### Teacher Notes/Guide

- Read the story slowly twice. On the second reading, emphasize the verbs: "pushed," "slid," "played."
- Before matching, ask guiding questions: "Who pushed the swing?" "Who had the ball?"
- Preschoolers may use single words when answering ("Anna," "slide"), which is expected at this level. Encourage full sentences as they practice.
- This worksheet builds **character recognition**, strengthens **recall of details**, and connects **names to actions**.
