

Name _____

Jumping Bunny Answer Key

- The bunny moved by **hopping**.
- Correct answer: **hop**.

Teacher Notes/Guide

- Read the story slowly, exaggerating “hop, hop, hop” so children can act it out.
- Point to each word (hop, swim, fly) and read them aloud together.
- Preschoolers may act out each motion (pretend to hop, pretend to swim, pretend to flap like a bird) before circling, to reinforce meaning.
- This worksheet strengthens **listening comprehension**, builds **verb/action vocabulary**, and connects **words to movement** in an engaging way.
