Teacher Notes/Guide

- Read the story slowly, pausing after key details (Mia, Ben, park, sandwich, apple).
- Emphasize the question words "Who," "What," and "Where." Use hand motions (point to people for *who*, to objects for *what*, to a spot on the floor for *where*).
- Preschoolers may answer with single words ("Mia," "sandwich," "park"), which is developmentally appropriate. Encourage full sentences as they grow ("Mia ate a sandwich").
- This activity helps students build **early comprehension skills**, practice **question words**, and connect story details to their answers.
