Teacher Notes:

- Accept a variety of correct answers as long as students use **has/have + been + verb(-ing)**.
- Remind students to include **time expressions** like *for* or *since* whenever possible.
- To extend the activity, students can work in pairs and ask each other the questions like a **real interview**.
- For extra practice, encourage students to add **follow-up sentences** (e.g., "I *have been studying English for three years, and I really enjoy it.*").
