Teacher Notes:

- Formula reminder: **Question word + has/have + subject + been + verb(-ing)**.
- Stress subject-verb agreement: *He/She/It → has; You/We/They → have*.
- Point out that time markers (*for, since, all afternoon, lately*) often go with present perfect continuous.
- Extension: Have students **walk around the class** in a "Reporter Role-Play," asking classmates the questions and writing short answers.
