My Busy Week

This week has been very busy for me. I have studied for my math test every night. My friend has been help me with the hard problems. We were working on equations since Monday. I have finish three chapters so far. My teacher have been giving us extra practice questions.

Besides schoolwork, I have been play soccer after school with my teammates. We has been practice for the championship game. The coach was training us every afternoon this week. Everyone have been working very hard.
