## Science In Progress

**Directions:** Read the passage about students preparing for a science fair. Fill in the blanks with the **correct form of the present perfect continuous tense** of the verb in parentheses.

### *The Science Fair Countdown*

Our school's annual science fair is coming soon, and everyone is excited.

Students \_\_\_\_\_ (work) on their projects for weeks.

Lena and Josh \_\_\_\_\_ (build) a volcano model that actually erupts. They \_\_\_\_\_ (test) the baking soda and vinegar mixture every day.

Meanwhile, Mia \_\_\_\_\_ (research) how plants grow in different types of soil. She \_\_\_\_\_ (keep) detailed notes in her journal.

The teachers \_\_\_\_\_ (guide) the students by giving them advice and feedback. The whole class \_\_\_\_\_ (prepare) displays and posters to present their findings.

Parents \_\_\_\_\_ (support) their children at home by gathering materials. Everyone \_\_\_\_\_ (look) forward to the big event next Friday!
