Teacher's Notes

- **Focus Point:** Students practice forming both yes and no answers in present perfect with **ever/never**.
- **Peer-checking Purpose:** Encourages students to look at grammar critically and also practice oral communication.
- **Extension Activity:** After trading, students report to the class: *"My partner has ridden a horse but has never traveled to another country."*
- **Differentiation:** Advanced students can extend their answers with details (e.g., *Yes, I have met someone famous. I met a football player last year.*).
