veto

Leading the Nation

The president of the United States has several important responsibilities. One major power is the ability to issue a _____ if the president believes a bill should not become a law. The president also works closely with a group of trusted advisors called the _____, who help make decisions about the country's needs. Sometimes, a president makes a decision that becomes a model for future leaders to follow. When that happens, the action sets a _____ that can last for many years.

Challenge Sentence: Use one of the word bank terms in a new sentence:
