## Spot The Problem

**Directions:** Read each classroom situation carefully. Decide if it is a **real problem** that needs solving or **no problem** that you can ignore. Circle *Problem* or *No Problem* after each situation.

1. You hear someone calling you a mean name in the hallway.

*Problem / No Problem*

2. A classmate accidentally bumps your desk while walking by.

*Problem / No Problem*

3. You dropped your pencil on the floor and can't find it.

*Problem / No Problem*

4. Your friend is using the blue marker you wanted to use.

*Problem / No Problem*

5. The teacher forgot to collect your paper after class.

*Problem / No Problem*

6. Someone is talking loudly during quiet reading time.

*Problem / No Problem*

7. Your classmate looks upset and won't talk to anyone.

*Problem / No Problem*

8. You don't like the lunch being served in the cafeteria today.

*Problem / No Problem*

9. Another student keeps taking your seat every morning.

*Problem / No Problem*

10. A friend is whispering during the lesson and distracting you.

*Problem / No Problem*
