

## Spot The Story Fix Answer Key

### Story 1

- Problem: Liam's bike helmet strap was broken, so he couldn't ride safely.
- Solution: He borrowed his older brother's helmet.

### Story 2

- Problem: Sofia was too tired and started to fall asleep in class.
- Solution: She asked to stand in the back of the classroom to stay awake.

### Story 3

- Problem: The lights went out during the play, leaving the stage dark.
- Solution: The crew used flashlights until the power returned.

### Extension (Sample Answer):

It's important to notice solutions because they show how challenges are overcome. This helps readers understand the character's choices, learn lessons, and see how the story moves forward.

### Teacher Notes:

- Encourage students to highlight the **exact sentences** in the passage that show the problem and solution.
- Remind them that not all problems are solved in the same way; sometimes solutions are creative, sometimes practical.
- For enrichment: Have students brainstorm an **alternative solution** for each story.
