## Solution Possibilities

**Directions:** Read each passage. Identify the **problem** in the text. Then, write down the **solution the character used** AND brainstorm **two other possible solutions** that could also fix the problem.

**Passage 1:** Amira spilled orange juice all over her homework right before school. She didn't want to get in trouble. She quickly grabbed a piece of blank paper and copied her answers as fast as she could before the bus arrived.

- **Problem:** \_\_\_\_\_
- **Solution:** \_\_\_\_\_
- **Two other possible solutions:** \_\_\_\_\_

**Passage 2:** The basketball team's practice was scheduled outside, but dark storm clouds rolled in, and heavy rain began to fall. Instead of canceling, the coach moved the practice into the school gym.

- **Problem:** \_\_\_\_\_
- **Solution:** \_\_\_\_\_
- **Two other possible solutions:** \_\_\_\_\_  
\_\_\_\_\_

**Passage 3:** Ethan's phone battery died while he was waiting for his mom to pick him up after band rehearsal. He couldn't text her to let her know he was ready. Ethan borrowed a friend's phone to make the call.
