Directions: Pretend you are a member of Congress in **1912**. Create a new reform bill to help solve a real problem during the Progressive Era.

My 1912 Reform Bill

1. What is the major problem?

(Describe the unfair, unsafe, or unhealthy situation your bill will fix.)

2. Who is affected by this problem?

(Workers? Immigrants? Consumers? Women? Children? Etc.)

3. What is the goal of your reform bill? (What change will your law require?)

4. Who would support your bill? Why?

(Which groups, reformers, or leaders would be on your side?)

5. Who might oppose your bill? Why?

(Who benefits from keeping the problem the same?)

6. What is the name of your new law? (Give it a bold, catchy name!)
