

Name _____

Qu Definition Match Answer Key

1. quilt
2. queen
3. quack
4. quick
5. quill
6. quiet
7. quiz

Teacher's Guide

- Review the sound of **qu** together and point out that each option begins with the same blend, so students must rely on meaning to choose the correct word.
- Read each definition aloud for students who need support with vocabulary or decoding.
- Offer picture clues for emerging readers by sketching simple icons next to each definition to boost comprehension.
- Extend the activity by having students choose one qu word and write their own kid-friendly definition or draw a matching illustration.
