## Qu Sentence Builder Answer Key

Answers will vary. Sentences should:

- use the selected **qu** word correctly
- demonstrate clear meaning
- be complete sentences with proper capitalization and punctuation

### Teacher's Guide

- Review the word bank aloud and briefly define any unfamiliar words such as squid or quill to ensure accurate usage.
- Remind students to use **capital letters**, **proper spacing**, and **ending punctuation** to form complete sentences.
- Support students who need guidance by modeling one example sentence and discussing how context shows the word's meaning.
- Extend learning by having students share their best sentence with a partner, illustrate one of their sentences, or highlight the **qu** blend within each chosen word.
