

Name _____

Qu Letter Tracks Answer Key

1. quack
2. quilt
3. queen
4. quick
5. quill

Teacher's Guide

- Highlight that **qu** almost always appears together and makes a single sound, which helps students connect tracing with reading.
- Support emerging writers by modeling how to start each letter and encouraging slow, careful strokes during tracing.
- For students who need more help, provide dotted versions of the full words so they can trace before writing independently.
- Extend learning by having students draw their own qu object or create a simple oral sentence using one qu word to reinforce vocabulary and phonics.
