3. cr + eep = **creep**
4. fr + ock = **frock**
5. br + own = **brown**
6. gr + ape = **grape**
7. fr + eeze = **freeze**
8. br + ush = **brush**

### Teacher's Guide

- Use this worksheet early in R-blend instruction when students are learning to attach beginning blends to familiar rimes.
- Have students read each completed word aloud to strengthen decoding and phonemic blending.
- Provide picture cards for students who need visual support; let them physically match blend cards to endings.
- Offer an extension by giving students extra word endings and inviting them to create new real or silly blend words.
