2. artist
3. swirl
4. torch
5. harvest
6. servant
7. carpet
8. germ
9. curl
10. storm

Teacher's Guide

- Before students begin, review each r-controlled vowel pattern and identify examples within the word bank.
- Encourage students to read all the definitions first, then match easier ones to build confidence.
- Offer support by having students clap out syllables or underline the r-controlled part of each word to anchor their understanding.
- For extension, challenge students to write their own definition for one of the completed words or illustrate one term to reinforce vocabulary meaning.
