

Name _____

R-Vowel Sketches Answer Key

Answers will vary. Students should draw pictures that clearly match each word: shark, barn, turtle, fork, fern, bird, corn, curl.

Teacher's Guide

- Encourage students to say each word aloud and underline the r-controlled vowel pattern before drawing.
- Provide visual support by showing simple examples of how objects can be represented, without giving full illustrations.
- For students who need more challenge, have them write a sentence under each drawing using the word correctly.
- For emerging artists, allow them to label their drawings to show understanding even if the artwork is simple.
