## R-Vowel Fix-Ups Answer Key

1. The storm was loud and windy.
2. I saw a bird sitting on the fence.
3. Dad asked me to turn the light off.
4. A big shark swam past the boat.
5. We planted a fern in the shady corner of the yard.
6. My sister wore a purple shirt today.
7. The horse ran quickly across the field.
8. Mom bought corn and butter at the market.
9. The carpet in my room is soft and warm.
10. The servant brought water to the table.

### Teacher's Guide

- Remind students to **circle the misspelled word first** before rewriting the sentence. This helps them focus on the phonics pattern.
- Provide a mini chart of r-controlled vowel patterns to help students quickly compare spellings.
- For students who need more support, read each sentence aloud so they can hear where the incorrect vowel sound appears.
- For more challenge, have students write an original sentence using the corrected r-controlled vowel word.
