1. If the **Choir Practice on Oct 8** is moved to Oct 10, what event would it conflict with?
2. Suppose the **Art Show Opening** is delayed by one day. Which event would then occur the same week in the same gymnasium?
3. If the **Debate Club Meeting on Oct 20** is postponed to Oct 22, what scheduling problem would students face?
4. Imagine the **Soccer Game** on Oct 3 gets rescheduled to Oct 2. What would students involved in both activities need to manage?
5. If the **Pumpkin Carving Contest** is moved to Oct 31, what kind of problem might arise?
6. Suppose the **Fall Dance on Oct 24** is canceled. Which event later in the month could serve as another fun student celebration?
7. What would be the challenge if the **Guest Lecture on Oct 22** had to start earlier at 2:30 p.m.?
