Match each question (1-10) with the correct event/date from the list above.
Write the **event and date** that answers each.

1. On what date can parents meet with teachers to discuss student progress?
2. Which event lets students showcase science projects, and when?
3. If a student loves art, which event should they attend, and on what day?
4. When will the school band perform in the main hall?
5. Which event requires students to leave school early in the morning for an outdoor learning experience?
6. On which day will a special author speak to students in the library?
7. When is the all-day event celebrating sports?
8. Which event takes place on Earth Day?
9. If a student is competing with numbers, what date should they mark down?
10. When will the entire school gather in the main hall for an assembly?
