## Choice Navigator Answer Key

### Scenario One

- You must return to class.
- You ask the librarian for help.
- You must have a pass and find the book.

### Scenario Two

- You must keep working quietly.
- Students must stay inside and finish their classwork.
- The day must be dry and warm.

### Scenario Three

- You cannot sign up.
- You must turn in a permission slip and space must be available.
- You are placed on the waiting list when space is full.

### Teacher's Guide

- This worksheet strengthens **conditional reasoning, logical sequencing, and procedural comprehension**.
- For support, have students highlight the words **if** and **then** in each rule.
- For engagement, allow students to act out one scenario using role play.
- For extension, have students write a new if-then rule chain for a classroom routine.
- For challenge, ask students to explain how changing one condition would change the entire outcome.
