## Study Sync

**Directions:** Read the app instructions carefully. Answer each question using complete sentences.

### App Guide: StudySpark Planner

**Purpose:** StudySpark is a student planning app that helps users organize homework, projects, and test dates.

### How to Use StudySpark

1. Open the app and tap the **Create Account** button on the home screen.
2. Enter your **username**, **password**, and **school name**, then tap **Submit**.
3. From the main dashboard, tap **Add Assignment**.
4. Type the **assignment name**, select the **subject**, and choose a **due date**.
5. Tap **Save** to store the assignment in your planner.
6. To mark work as finished, tap the assignment and select **Mark Complete**.
7. To view all upcoming work, tap the **Calendar** icon at the bottom of the screen.
