

Name \_\_\_\_\_

## Seed Starter Answer Key

1. first
2. next
3. then
4. after that
5. finally or last
6. last or finally

### Procedural Comprehension Questions

1. The last step tells where to put the cup.
2. Covering the seed with soil happens right before watering.
3. The order matters because each step prepares for the next one.

### Teacher's Guide

- This worksheet strengthens **instructional sequencing** and the use of transition words.
- For support, have students read each sentence aloud before choosing a transition.
- For engagement, allow students to act out the steps with pretend materials.
- For extension, have students write their own short set of instructions using **three transition words**.
- For challenge, ask students to explain how meaning changes if two steps are swapped.
