

Name _____

Choice Navigator

Directions: Read each set of **if-then instructions** carefully. Follow the conditions to decide the correct action.

Scenario One: School Library Visit

You arrive at the school library during class time.

- If you **have a library pass**, then you may enter.
- If you **do not have a library pass**, then you must return to class.
- If you enter the library and **find the book you want**, then you may check it out.
- If you **cannot find the book**, then you must ask the librarian for help.

Questions

1. If you forget your library pass, what must you do?
2. If you have a pass but cannot find your book, what is your next step?
3. What must happen before you can check out a book?

Scenario Two: Recess Weather Plan

Your class is preparing for recess.

- If it is **raining**, then students stay inside.
- If it is **dry and warm**, then students go outside.
- If students stay inside and **finish their classwork**, then they may play board games.

- If students stay inside and **do not finish their work**, then they must keep working quietly.

Questions

1. What happens if it is raining and your work is unfinished?
2. What must be true for students to play board games?
3. What condition allows students to go outside?

Scenario Three: Tech Club Signup

You want to join after school Tech Club.

- If you **turn in a permission slip**, then you may sign up.
- If you **do not turn in a permission slip**, then you cannot sign up.
- If you sign up and **space is available**, then you are accepted.
- If you sign up and **space is full**, then you're placed on a waitlist.

Questions

1. What happens if you do not turn in a permission slip?
2. What two things must happen before you are accepted?
3. When are you placed on the waiting list?
