**Customer Review:** "I was excited to try Metro Noodle House, but I do not think it is a good choice for people who like **mild food** or **meat free meals**. Almost everything is too spicy or includes meat. Also, the desserts seem very heavy and not refreshing at all. I would not recommend this place to someone who wants lighter options."

**Customer Review Response:** Answer each question using **proof from the menu**.

1. Does the menu support the claim that most food is **too spicy**? Why or why not?
2. Is it true that this place is a poor choice for **meat free meals**? Cite two menu items.
3. Does the menu support the idea that **almost everything includes meat**?
4. Do the desserts appear to be only **heavy and rich**? Use menu evidence.
5. Which menu items best support or weaken the claim about **lighter options**?
6. Based on the menu, would you **agree or disagree** with the reviewer overall? Explain using at least two menu items.
