### Teacher's Guide

- Use this worksheet to strengthen **main idea identification** and **nonfiction comprehension** skills.
- Encourage students to underline **key details** in each paragraph before choosing a main idea.
- For support, read one paragraph aloud and model how to eliminate incorrect choices.
- For enrichment, have students write their own short nonfiction paragraph with a matching main idea.
- For engagement, allow students to work in pairs and explain why they chose each answer.
- For extension, challenge students to create a new main idea that could also fit one of the paragraphs and defend their choice.
