

Name _____

Trail Mix Match Answer Key

1. B. Raisins
2. A. Pretzels
3. E. Sunflower seeds
4. D. Cereal squares
5. C. Chocolate chips

Teacher's Guide

- This worksheet strengthens **measurement reading**, **matching skills**, and **recipe comprehension** for Grades 2 to 4.
- For differentiation, provide a word bank with both numbers and written amounts for support readers.
- Increase engagement by letting students build a pretend trail mix using paper cutouts after matching.
- As an extension, have students design their own snack mix and assign measurements to each ingredient.
