Teacher's Guide

- **Skill Focus:** Students read and compare schedules to determine **which option best fits a real life constraint.**
- **Differentiation:**
 - Highlight key words such as **no later than**, **before**, and **at least** for students who need extra support.
 - Allow advanced students to explain their reasoning using full sentences and time calculations.
- **Engagement Tips:**
 - Let students work in pairs and defend their answers using evidence from the schedule.
 - Turn the activity into a quick class debate for each question.
- **Extension Ideas:**
 - Have students create two new schedule options and write one decision making question.
 - Ask students to adjust one option so it works for every student in the scenarios.
