3. Lunch break
4. Dance class
5. Science fun lab
6. Science fun lab
7. Free reading
8. Clean up time
9. Dismissal
10. Dance class

Teacher's Guide

- **Skill Focus:** Students use a real world style schedule to match **descriptive clues** to correct activities and strengthen time order awareness.
- **Differentiation:**
 - Read the schedule aloud and model one match for support.
 - Allow advanced students to write two new matching clues of their own.
- **Engagement Tips:**
 - Have students act out each activity as it appears in the schedule.
 - Let students highlight key words like **before**, **after**, and **last** in each clue.
- **Extension Ideas:**
 - Ask students to rewrite the schedule with one new activity added.
 - Turn the schedule into a class game where students quiz each other using new descriptions.
