

Name _____

Truth Testers

Directions: Read the passage. Then decide if each statement is a **fact** or an **opinion**. Write **F** or **O** in the blank before each number.

The town of Brookdale opened a new public skate park last summer. The park includes three ramps, two rails, and a wide practice area for beginners. City workers finished building the park in four months. Many students visit the park after school to practice tricks and ride with friends. Some parents say the park has helped keep kids active. Others believe the park is too noisy in the evening.

- ____ 1. The skate park has three ramps and two rails.
