## Twister Double-Time

**Directions:** Read each tongue twister aloud **two times in a row without stopping**. Try to keep the same speed, accuracy, and expression on both reads. If you stumble, restart and try again until you can complete two smooth reads. After practicing, circle the tongue twister that gave you the hardest time. Share one successful double-time performance with a partner or your class.

### Tongue Twisters for Practice

1. Larry's lucky lizards leapt lightly over logs.
2. Brenda's bright blue birds bravely bounced between branches.
3. Sam swiftly stacked six shiny silver spoons.
4. Crazy cats carried colorful cupcakes carefully.
5. Tiny trains traveled through three tall tunnels.
