## Twister Coaching

**Directions: Pair up** with a partner. Decide who will be the **Reader** first and who will be the **Coach**. The Reader reads the tongue twister aloud. The Coach listens carefully. The Coach circles or writes down any words that sounded tricky, were skipped, or made the Reader stumble. Switch roles after each tongue twister so both partners get to practice reading and coaching. Work together to reread the tricky words until they sound smooth and clear.

### Tongue Twisters for Practice

1. Bobby's big blue balloon bounced briskly beyond the barn.
2. Crazy crabs crawled quickly across crooked coral caves.
3. Daring ducks dashed down dusty dirt roads daily.
4. Sally's seven silver spoons spilled soup suddenly.
5. Happy horses hurried home hopping hills hastily.

### Reflection Questions

1. Which tongue twister had the **most tricky words** for you?

2. How did your partner's coaching help you improve?

3. Which tongue twister did you read **the smoothest** on your second try?
