

Name _____

Grade 12 ChatGPT Activity - Debate the Machine

Teacher / Parent Notes

Skills Developed

- Argument writing and rebuttal strategies
- Evidence evaluation and logical reasoning
- Perspective-taking and respectful discourse
- Media and AI literacy

Implementation Tips

- Ideal for a 1- to 2-day activity or part of a persuasive writing unit.
- Encourage students to cite external evidence to verify ChatGPT's claims.
- Optional extension: turn the exchange into a short debate script or essay comparing human vs. AI reasoning.
