Speak Up Safely

Directions: Read each situation and write what you would say to stay safe and assertive. Use calm, clear words that show confidence and respect.

1. Your friend tells you to skip class and go to the mall. **What would you say?**
2. A group of students dares you to share a mean post about someone online. **What would you say?**
3. Someone you know asks for your passwords so you can "trust each other more." **What would you say?**
4. A person online wants to video chat, but you don't really know who they are. **What would you say?**
5. Your best friend keeps pressuring you to lend them money even though you said no. **What would you say?**
