The Safest Choice

Directions: Read each situation and choose the **safest** response. Circle A, B, C, or D for each question.

1. You get a message from someone you don't know on social media. They say they go to your school and want to meet. What should you do?
 - A. Agree to meet them at the park.
 - B. Ask them what class they're in.
 - C. Ignore the message and tell a trusted adult.
 - D. Send them pictures so they know who you are.
2. Your friend dares you to climb a high fence to get a lost ball. What is the safest choice?
 - A. Say no and ask for help from an adult.
 - B. Try it anyway to prove you're brave.
 - C. Wait until everyone leaves, then climb.
 - D. Ask your friend to do it instead.
3. A classmate tells you to keep a secret about someone getting hurt. What should you do?
 - A. Promise to keep it no matter what.
 - B. Ask another friend if it's safe to tell.
 - C. Pretend you didn't hear it.
 - D. Tell a teacher or counselor right away.
4. Someone in your group chat starts saying mean things about another student. What should you do?
 - A. Join in so they won't make fun of you.
 - B. Stay silent so no one notices you.
 - C. Leave the chat and tell an adult if needed.
 - D. Save the messages to share later with others.
5. A new neighbor offers you a ride home because it's raining and your parents aren't there yet. What's the safest choice?
 - A. Accept because they seem nice.
 - B. Say no and wait in a safe public place.
 - C. Walk home alone without telling anyone.
 - D. Text your friends to come with you.
